

Multi-Housing News E-Newsletters

MHN Daily E-mail Blast—Tomorrow’s News Today

Delivered directly to executives’ desktops every business afternoon and designed to deliver the stories the industry will be talking about tomorrow, MHN’s Daily E-mail Blast is the multifamily industry’s timeliest and most comprehensive news and information source.

MHN Specialty Newsletters:

MHN Property Management

The Property Management E-newsletter is the leading source for the latest news, trends and products that will affect property managers. Published twice monthly.

MHN Green Building

The Green Building Newsletter is at the very forefront of the green movement and leads the discussion on where, when and how to incorporate green products into multifamily show properties. Published twice monthly.

MHN Multifamily Architecture + Design

The Architecture + Design E-newsletter provides the very latest insights, analysis and thought leadership to help industry executives successfully plan and deliver marketable products to today’s multifamily renters and buyers. Published twice monthly.

MHN Finance & Investment

Executives stay on top of what’s happening in the financing industry with this newsletter that delivers articles, trend reports, and analytical pieces regarding the full range of equity, debt and structured financing. Published twice monthly.
